Mysore Palace Board hikes entry fee

Previous increase in charges was in 2017

Revised Palace entry fee

Sl. No.	Details	New	Old
1	Adults - Indian and foreign	Rs. 100	Rs. 70
2	Children (between 10 & 18 years)	Rs. 50	Rs. 30
3	Students on study tour	Rs. 30	Rs. 20

Mysuru, Sept. 25 (MTY & BCT)- The Mysore Palace Board that manages the Mysore Palace, a major attraction for tourists who come from all over the world, has revised the entrance fee and the charges for the Sound and Light Show, which has already come into effect.

The increase after a gap of four years comes in the wake of relaxed COVID restrictions and Dasara, which is days away where the tourists are expected to make a beeline to see the magnificent structure.

As per the new rates, adults (Indian and foreign) who want to view the Palace have to pay Rs. 100 instead of Rs. 70 and children between 10 to 18 years have to pay Rs. 50 instead of the earlier Rs. 30.

Students who are on study tours accompanied by their teachers have to shell out Rs. 30 and have to possess a permission letter from the head of the institution and submit the same to the Palace Board Deputy Director's Office to avail the concession. Earlier, they had to pay Rs. 20 per head.

Rates have also been increased for the Sound and Light Show that will be held every evening except Sundays and Government holidays.

The admission fee for the Kannada version is Rs. 90 instead of the earlier Rs. 70 for an adult and Rs. 40 for children instead of the earlier Rs. 30.

For a viewer to enjoy the English version of the Sound and Light Show, he has to pay Rs. 120 and children have to pay Rs. 50. Earlier, the entry fee for the English version was Rs. 90 for an adult and it was Rs. 40 for a child.

Lead a law-abiding life:
City Top Cop tells rowdies

Mysuru, Sept. 25 (RK&BCT)- With the countdown for the 10-day Dasara festival beginning, City Police held a parade of history-sheeters at the City Armed Reserve (CAR) Grounds at the foot of Chamundi Hill last evening. Addressing the rowdy-sheeters, City Police Commissioner Dr. Chandragupta warned them against indulging in unlawful activities.

He warned over 250 rowdy-sheeters drawn from various Police Stations not to threaten or force citizens to indulge in unlawful acts under their threats, failing which they would face criminal action. They were issued stern warnings not to indulge in any illegal activities.

18 from State, including two from Mysuru pass UPSC exam

Akshay Simha

Nishchay Prasad

Pramod Aradhya

New Delhi, Sept. 25- The Union Public Service Commission (UPSC) on Friday announced the results of Civil Services Exam-2020, according to which 836 candidates from across the country have been successful in clearing the exam.

Out of the 836 candidates, 18 are from Karnataka, including two from Mysuru.

K.J. Akshay Simha, a native of Mandya, is the State topper by securing the 77th rank in All India ranking. Simha, who studied in Bengaluru, trained at Insights IAS Academy in Bengaluru.

K.M. Priyanka and Nishchay Prasad, both of Mysuru, have bagged 121st and 130th rank respectively.

A resident of Ramakrishnanagar in Mysuru, Nischay Prasad did his schooling at Ideal Jawa Rotary School, studied PUC at Marimallappa PU College, passing out with distinction and completed his Engineering (Bio-Technology) at SJCE, Mysuru.

Nischay Prasad said that he completed his Engineering in 2019 and started preparing for Civil Services exam in right earnest. Pointing out that he prepared a time-table for himself for clearing the UPSC exam, he said that he did not attend any coaching classes and studied himself. But he attended may mock exams and mock interviews, which helped him in clearing the exam, he said and added that students must set themselves goals in their career and give their best for achieving the set goals.

Pramod Aradhya of Gundlupet in Chamarajanagar district has bagged the 601st rank in Civil Services. Pramod, a native of Halladamadahlli in Gundlupet taluk, has been selected for Civil Services in his third attempt, it is learnt.

Of the 836 successful candidates, 180 have been selected for IAS (Indian Administrative Service), 200 for IPS (Indian Police Service), 36 for IFS (Indian Foreign Service), 302 for Central Services-Group A and 118 for Central Services Group-B posts.

Meanwhile, the UPSC in a press release, said that the list of successful candidates along with the marks list will be published in the UPSC website in 15 days.

EDITOR'S BOTTOMLINE

THE JOY OF READING: *I guess the advent of the internet, the plethora of social media platforms, the generally ubiquitous nature and reach of technology, the faster pace of life — all have contributed to the rapid decline of reading habits. Most children these days would perhaps prefer the comfort of a YouTube presentation on a certain subject to reading a book. Reading requires time and patience and both are at a premium these days. Yet another aspect is that in these days of multi-tasking and minimised attention spans, 'reader fatigue' is common.*

Long texts and assiduously constructed sentences are not just passe but are often considered a 'waste of time'. A voluminous book is much more likely to put off people now than earlier. The joy of reading a book and discussing the same with friends looks like a distant dream. I say this without any sense of derision or contempt towards my young friends. However, when I was growing up, few things could match the joy and pleasure of reading! — *Ashok Warrier in Deccan Herald*

NEWS SPARKLERS

World record attempt for largest dog wedding

Chicago: Organisers of a world record attempt in Chicago said they are hoping to gather more than 178 canine couples to break the record for the world's largest dog wedding ceremony.

The attempt featured 87 canine couples, falling short of the record-setting number of 178, which was set in Littleton, Colo., in 2007. Leslie Allison-Seei, chair of the Villa Park Community Focus on Unifying Neighbors Commission said she wants to see Illinois take the record Saturday at Lions Park in the town of Villa Park.

Seei said pet owners whose dogs don't have mates to marry can participate in a round of "doggy speed-dating" to find an appropriate spouse right before the ceremony.

Boat stuck in air after getting marooned on rock

Jersey: A boat was left stuck in the air impaled on a rock in the Channel Islands after it ran aground. The motor cruiser had collided with the rocks underwater, and then the tide went out, leaving it 10ft in the air.

Unfortunately, the crew were able to get it unstuck before this point and they had to be rescued by the RNLI and coastguards at the Ecrehous mini islands, off the coast of Jersey.

It took around twelve hours to rescue those on board, who suffered minor injuries from the impact. The photographs caused a stir locally, with several people joking 'Good bit of parking that' and 'You can't park there'.

HEALTH CAPSULE

Myth: Spinal/Epidural anaesthesia increases the risk of backache
Fact: Several studies have shown that there no evidence to support this statement. Spinal anaesthesia is one of the safest procedure especially for pregnant women (safe for yet to be born child too), if there is no contraindication. The mother can see and hear the first cry too.

Skill development training for COVID frontline workers

Mysuru, Sept. 25- Skill Development, Entrepreneurship and Livelihood Department is conducting short-term skill development training for candidates interested to function as COVID frontline workers.

Skill training in Basic Care Support (20 seats), Home Care Support (20) for SSLC pass candidates.

II PUC (Science) passed candidates, aged between 18 and 45 years can apply for Sample Collection Support (20) based on first come first serve basis.

Basic Care Support training will be held at Regional Health and Family Welfare Training Centre in Metagalli; Home Care Support and Sample Collection Support Job role training at District Health and Family Welfare Training Centre.

Interested candidates may submit Aadhaar Card, along with necessary documents, Caste and Income Certificate, Bank Pass Book and passport size photographs before Sept. 30 to Skill Development Office on Hunsur Road, according to a press release from District Skill Development Officer.

REALLY...?

- ***Octopuses lay 56,000 eggs at a time: The mother spends six months so devoted to protecting the eggs that she doesn't eat. The babies are the size of a grain of rice when they're born.***
- ***Blue whales eat half a million calories in one mouthful: These random facts are mind-blowing! Those 4,57,000 calories are more than 240 times the energy the whale uses to scoop those krill into its mouth.***
- ***Neil Armstrong became the first man to step foot on the moon in 1969. Inside his spacesuit pocket was a piece of muslin fabric from the left wing of the original 1903 Wright Flyer along with a piece of wood from the airplane's left propeller.***

LAUGHTER THE BEST MEDICINE

Banta built two swimming pools and he left one of them unfilled.
Why?
When asked him, he said, Oye, that's for those who don't know swimming!!

VOICE OF THE READER

Street-lights, movable concrete barriers needed on Nelson Mandela Road

Sir,

The Nelson Mandela Road in Bannimantap happens to be the busiest road connecting the Millennium Circle (LIC Circle) and Sayyaji Rao Road. Also, many KSRTC and private vehicles speed up and down in the evenings. As this busy stretch is dark without street-lights, pedestrians have to put their lives at risk while crossing the road. It is also risky for two-wheelers to take a turn towards Hanumanthanagar or Bannimantap A Layout.

The other issue on this road is that there are many hotels and motorists try to deviate suddenly across the road to go to hotels. Hence, movable concrete median barriers may be installed from Highway Circle to LIC Circle to regulate traffic.

On behalf of travelling public, I appeal to the authorities concerned to install street-lights and movable concrete barriers to avoid accidents on this road.

APOLLO DOC TALK
Apollo HOSPITALS
ABO INCOMPATIBLE KIDNEY TRANSPLANT

A kidney transplant is an established treatment for patients with kidney failure. Blood group matched kidney-donor availability ensures a regular transplant. However, for potential kidney recipients not having a blood group matched kidney donor, considering an ABOi kidney transplant from a blood group incompatible kidney donor is a viable option. Success with ABOi kidney transplant was first recognized in Japan, then the US and now across the World. In India too, a lot of transplant centres have embarked on a successful ABOi kidney transplant program. Potential recipients should be counselled about kidney transplants. They should hence be willing to undergo the transplant and must meet both centre-specific and ABOi-specific criteria for the transplant surgery. When compared to regular transplant, ABOi kidney transplant entails ABO desensitization by various methods to lower the immunogenicity and ensure successful outcomes. This adds a challenge to the transplant team. Strict vigilance during the peri-transplant period ensures better results. Apollo BGS Hospitals, Mysuru is the first licensed kidney transplant centre to perform an ABOi transplant in this region. Backed by qualified nephrologists and a competent surgical team, Apollo Transplant program has ensured good results.

'Need to change ways of handling waste'

National Green Tribunal State-Level Committee Chairman Justice Subhash B. Adi outlays measures

NGT State-Level Committee Chairman Justice Subhash B. Adi holding a meeting on 'Waste management and disposal in Mysuru' at the DC's office in city yesterday.

Mysuru, Sept. 25 (YDS&BCT)- National Green Tribunal (NGT) State-Level Committee Chairman Justice Subhash B. Adi has strictly instructed Mysuru City Corporation (MCC) to take steps for the scientific disposal of waste and has asked the Civic Body to penalise people who dump waste on roadsides and footpaths and those who hand over waste to Pourakarmikas without segregation.

He was addressing reporters at the Deputy Commissioner's Office yesterday after chairing a meeting on waste management and disposal in Mysuru. At the meeting, Justice Adi sought reports from the officials of medical education, veterinary, MCC, health and other departments to take stock of the steps taken to reduce waste generation and scientific disposal of waste in their respective departments.

He said that every Corporator of the Local Body and residents are responsible for scientific disposal of waste generated in their Wards by implementing the Solid Waste Management (SWM) Rules and there is no question of shirking away from their responsibilities.

The NGT Committee has been entrusted with the task of overseeing the steps taken for the implementation of the SWM Rules and also to ensure that mixing of bio-medical waste with municipal solid waste does not take place in Karnataka.

Segregation levels remain woefully low and continue to drop. The segregation of wet, dry and sanitary waste is only partial and the rest are being dumped in landfills, he noted.

Some reasons cited for this include lack of enforcement by Health Inspectors and poor aggregation of segregated waste either during door-to-door collection or secondary transportation, Justice Adi noted.

"In an attempt to address the problem locally, many communities must be made aware of coming together to explore options to better manage the waste generated themselves. Initiatives like in-house waste segregation, zero-waste campuses, zero-waste events and many more workshops on home composting, urban gardening and terrace gardening must be held across the city," he added.

He also pointed out that despite specific laws to penalise the violators, the officials are taking no steps to stop dumping of debris and construction materials haphazardly at vacant places in different parts of the city. "Such materials should be disposed of in a proper way at stipulated places after taking permission from concerned authorities," he said.

Cautioning people who litter, Justice Adi said that they have to be penalised if they do not comply with the rules that have been publicised in the awareness campaigns. "Only 50 to 60 percent of the city's waste gets disposed of in a proper manner and the rest is dumped indiscriminately. This must stop," he told officials.

The NGT State-Level Chairman asked the officers of Mysuru to take concrete measures to make Mysuru a plastic-free district.

Observing that plastic use has dipped in large entities like malls but is persisting in small shops, he said: "Plastic use is coming down in the State, but it can be checked in Mysuru only by increasing penalties."

Officials asked to prepare list of homeless Pourakarmikas

Mysuru, Sept. 25 (RK&DM)- Karnataka State Safai Karmachari Commission Chairman M. Shivanna has asked officials of Karnataka Slum Clearance Board to identify homeless Pourakarmikas and submit a report accompanied by a list of homeless Pourakarmikas. He was addressing a meeting of Pourakarmika leaders, Devaraja Urs Colony residents and officials at Jaladarshini Guest House yesterday.

During the course of the meeting, Pourakarmika leaders demanded houses for Pourakarmikas who could not get houses in the Housing Colony built by the Slum Clearance Board near Mandakalli. Maintaining that hundreds of Pourakarmikas were living in crunched slums of D. Devaraj Urs Colony, they claimed that several representations made to the authorities in this regard have proved futile.

Replying to the demand of Pourakarmika leaders, Shivanna asked the Slum Clearance Board officials to prepare a list of homeless Pourakarmikas living in D. Devaraj Urs Colony, which will be forwarded to Housing Minister V. Somanna. He further said that the matter will also be discussed with MLA S.A. Ramdas.

Pourakarmika leaders Venkatesh, Murugesh, Ramesh, Rangaswamy, Manjunath, Nanjappa, Dr. B.R. Ambedkar Development Corporation District Manager Muniraju, Executive Engineer Harish, AEE Ramachandra and others were present.

Mystery shrouds death of 16 goats in S'patna

Srirangapatna, Sept. 25 (Palahalli Manju&AK)- In a shocking incident, 16 goats were found dead under mysterious circumstances at Palahalli village near Srirangapatna taluk.

The goats belonged to a farmer named Srinivas, a resident of the same village. Srinivas had a total of 50 goats. After grazing them, he had housed the goats in the shed last night.

When he went to the shed this morning as usual, he was shocked to find 16 goats lying dead. Immediately, he informed the Veterinary Doctors Rameeth and Shivalingaiah, who visited the spot and examined the goats.

It is suspected that the goats might have consumed poisonous food mixed with pesticides or poisonous plants.

Samples of fodder have been sent to the Lab. The exact reason for the deaths of 16 goats will be known after the report comes out.

Columbia Asia Hospital treats major

Neurosurgical disorders and Spine ailments

Mysuru, Sept. 25- It is a myth that brain tumours, spinal ailments and other disorders are killers and that post-surgery patients are left with major side-effects. Timely diagnosis and early intervention can help cure many tumours.

Thirty-nine-year-old Shivanna Gowda and 40-year-old Lakshmi Neelambari suffered from low back pain. As in most cases, the patients and their companions had many myths about post-operative complications. Lakshmi had already been operated elsewhere but pain had recurred.

"Both patients underwent spinal surgery. One a simple discectomy and the other instrumented spinal fixation TLIF (Transforaminal Lumbar Interbody Fusion). Both have recovered from surgery and are getting back to active life," said Dr. Maqsood, Consultant Neurosurgeon, Columbia Asia Hospitals, Mysore (A Unit of Manipal Hospitals).

"I was worried about my daughter's condition and was not able to understand the sudden surge in her pain levels. Upon diagnosis at Columbia Asia we understood the problem and underwent treatment. Today my daughter is leading a normal life," said Ningappa, father of Lakshmi.

Dr. Maqsood, Consultant Neurosurgeon, Dr. Gautam Das, General Manager, Dr. Upendra Shenoy, Chief of Medical Services and Dr. Mahadev, Consultant Intensive Care, all from Columbia Asia Hospitals, Mysore, during the press meet at Pathrakarthara Bhavan in city recently.

COLUMBIA ASIA
COLUMBIA ASIA HOSPITAL - MYSORE
A unit of ManipalHospitals

Twenty-year-old Fathima was suffering with severe headache and dizziness. A CT scan and MRI of the brain done at Columbia Asia showed a large life-threatening tumour at the centre of the brain and it was necessary to remove the tumour surgically. A detailed pre-anaesthetic check was done to ensure all goes well during surgery which went up to 7 hours and today the patient is perfectly fine leading a normal life. The tumour was removed through an interhemispheric transcallosal approach. Modern adjuncts like an operating microscope, CUSA were used to remove tumour.

"In another such case, 45-year-old Syed Abdul Saleem came to Columbia Asia suffering from excruciating facial pain not responding to drugs. He could not brush his teeth, drink cold liquids or eat food. High dose of drugs caused him to be drowsy. We conducted an MRI of the brain and it showed a blood vessel compressing the trigeminal nerve, the nerve carrying facial sensations. A deep brain surgery with a small opening of the skull behind the ear was done and the nerve was decompressed near the brain stem," said Dr. Maqsood.

"I used to feel breathlessness during such episodes of pain and life was traumatic. But with the support of my family and timely surgical intervention now I lead a healthy life," said Syed.

Scholarship for SC students

Mysuru, Sept. 25- The Social Welfare Department has invited applications from eligible SC students who have passed out SSLC/10th standard of CBSE and ICSE (2019-20 and 2020-21) in first class in first attempt, for availing scholarship. SC students who passed securing 60 to 74.99 percent marks will be given a scholarship of Rs.7,000 and those who passed scoring more than 75 percent marks will be given Rs.15,000 each.

The eligible SC students can apply at the Department Office at Dr. Babu Jagjivan Ram Bhavan, Adipampa Road, Paduvarahalli, Mysuru. For details, contact Ph: 0821-2520910.

Date extended

Mysuru, Sept. 25-The Karnataka Hindu Religious Institutions and Charitable Endowments Department has invited entries from members of the public and devotees to become members of the 9-Member Managing Committee for a period of 3 years. The last date to apply has been extended from Aug. 30 to Oct. 10, according to a press release.

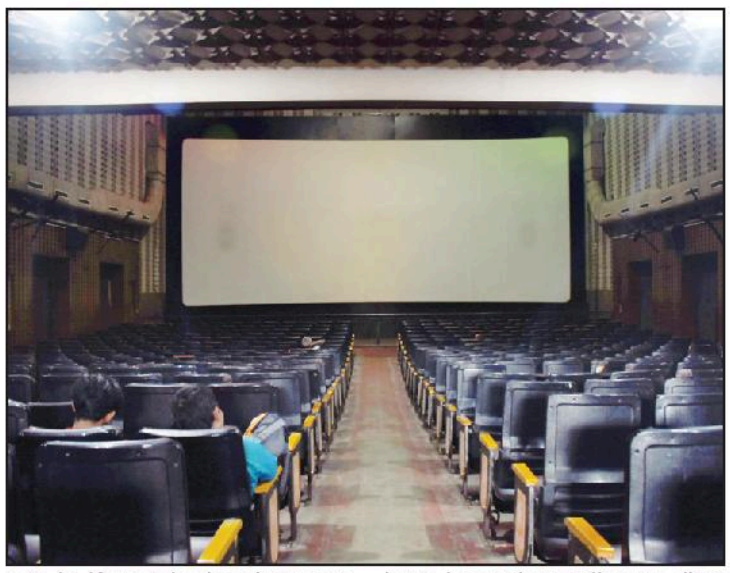
From Oct. 1, theatres to open to 100 percent capacity: CM

State Government to announce separate guidelines for Dasara



Bengaluru, Sept. 25 (KMS& BCT)- Karnataka Chief Minister Basavaraj Bommai yesterday said that cinema theatres will be allowed to open to 100 percent capacity from Oct. 1 in districts where COVID Test Positivity Rate (TPR) is less than one percent. TPR refers to the number of people testing positive for COVID-19 for every 100 people tested.

Cinema theatres with 50 percent capacity will be allowed in districts where the positivity rate is less than two percent, he told reporters after a review of the COVID pandemic situation. However, cinema theatres will not be allowed to open in districts registering more than two percent positivity, the CM said.

Health and Family Welfare Minister Dr. K. Sudhakar said that the Government is concerned about the plight of the theatre owners and exhibitors as they are suffering huge losses due to COVID-19 restrictions. The film industry too suffered financial setbacks.

Dr. Sudhakar further stated that the COVID-19 positivity rate in Karnataka has been on a decline. "We are seeing 600 to 800 COVID-19 positive cases per day in the State on an average. The positivity rate has been less than one percent. The number of deaths has also been reduced. The State Government is allowing activities in districts where there is less than two percent of COVID-19 Test Positivity Rate (TPR).

Dr. Sudhakar said that multiple delegations from the film industry and the Film Producers Associations have met him and have been demanding to allow the full house shows. Pubs also will be allowed to function, under the same guidelines drafted for cinema theatres, from Oct. 3, the CM said.

However, people will be allowed inside the pubs only if they have taken at least one jab of COVID vaccine, Bommai said. Night curfew will continue from 10 pm to 5 am as imposed before, he said, adding that the State Government would announce separate guidelines for Dasara festival.

Exhibitors welcome move; but checking vaccination status impractical

M.R. Rajaram

Mysuru, Sept. 25 (BCT)- Reacting to the State Government allowing cinemas to open to 100 percent capacity, M.R. Rajaram, Vice-President, Karnataka Film Exhibitors' Federation, has welcomed the move. "At last, the Government has heard our desperate pleas and we are the last sector to be given relief though the Government has permitted all other activities. We are optimistic," he told *Star of Mysore* this morning.

The Government has to decide on not imposing another lockdown as people have started living with COVID and they know that now the only way to prevent the killer pandemic is through vaccination and this has been proved beyond doubt that people trust vaccines more than lockdowns. "Despite the initial smear campaigns against vaccines, people have realised what is fact and what is myth. The Government must focus on 100 percent vaccination and allow both free and paid vaccine systems," he added.

Rajaram, who owns Gayathri Talkies, said that they would provide automated sanitisers in theatres and also indulge in surface sanitisation after the shows. "DRDO has invented surface sanitising tablets that would stay effective till 12 hours if dissolved in water and sprayed. But it is impractical for us to insist on a vaccination certificate while issuing tickets or while patrons enter the movie hall," he noted.

"How can we check every person coming to watch a film on whether he or she is fully or partially vaccinated? We neither have the authority nor the resources to check vaccination certificates. This is impractical. See the Government — with all its infrastructure, facilities and also people — is not able to check vaccinated status at key locations and even at Government Offices. How can the Government expect us to do the same? We are ready to comply with all the SOPs that are within the permissible levels but checking the vaccination status of movie buffs is not practical," Rajaram added.

Best Legislator Award to BSY

Mysuru District Minister greets former CM

Lok Sabha Speaker Om Birla presenting the Best Legislator Award to former CM B.S.Yediyurappa (BSY) at Vidhana Soudha yesterday as CM Basavaraj Bommai, Assembly Speaker Vishweshwar Hegde Kageri and Legislative Council Chairman Basavaraj Horatti look on.

Mysuru, Sept. 25- Mysuru District Minister S.T. Somashekar has greeted former Chief Minister B.S. Yediyurappa, who is an MLA from Shikaripura in Shivamogga, for being honoured with the Best Legislator Award during the Legislature Session that concluded in Bengaluru yesterday.

In a press statement, Somashekar said that BSY, who is a born fighter, functioned as a mentor to junior Legislators during the just concluded Assembly Session. It is delightful to note that BSY received the first Legislator Award and it is an honour to the veteran leader for his valuable service to the people and as well as the State Legislature.

BSY, an eight-time MLA from Shikaripura, became the Chief Minister four times. He had emerged as a farmer leader and taken part in many agitations as an Opposition Leader earlier, he said adding that the former CM truly deserved the honour.

Mysore Palace entry fee

Sound and Light Show fee

Language	Day and time	Entry fee
Kannada	Monday to Wednesday (7 pm to 8 pm) Saturday (8.15 pm to 9.15 pm)	Adults : Rs. 90 Children : Rs. 40
English	Thursday to Saturday (7 pm to 8 pm)	Adults : Rs. 120 Children : Rs. 50

(Continued from page 1)

While the Kannada version of the event will be held from 7 pm to 8 pm on all Mondays, Tuesdays and Wednesdays, the English version will be held from 7 pm to 8 pm on all Thursdays, Fridays and Saturdays. On Saturday, the Kannada version will also be held from 8.15 pm to 9.15 pm after the English version concludes at 8 pm.

Palace Board Committee headed by Chief Secretary P. Ravi Kumar has decided to revise the entrance fee of Palace. Speaking to *Star of Mysore*, Palace Board Deputy Director T.S. Subramanya said that Mysore Palace pays Rs. 10 lakh per month as electricity bill and this apart, there are other expenses like salary and maintenance.

"We had not hiked the entry fees since 2017 and the Palace had severely suffered due to the pandemic. Annual income that stood at Rs. 4 crore to Rs. 6 crore plummeted to just Rs. 30 lakh. We have to mop up resources to meet the losses," he added.

City Top Cop advises rowdies

(Continued from page 1)

Dr. Chandragupta told rowdy-sheeters that all their activities are being regularly monitored and their movements are being recorded in the jurisdictional Police Stations and there is a mechanism of monitoring such activities by higher officers.

"Do not indulge in illegal activities and you cannot hoodwink the Police if you change your location, address, operating area and mobile SIM cards," he said.

Warning those who are still active in real estate deals, gambling, bootlegging, instigating group clashes while taking sides at the behest of political leaders and their henchmen, the Police Commissioner told them that their future would be doomed and they will languish in jails till death.

Dr. Chandragupta asked them to explain what they were doing for a living and their sources of daily, weekly and monthly incomes. He suggested they renounce the illegal path and lead a respectable life. Sternly warning them not to leave either their place of residence or the city, he said that they must inform the jurisdictional Police before making such moves.

Reassuring them that the process was on to leave out names of reformed rowdy-sheeters, sick and ailing and also those who have shown good public behaviour, Dr. Chandragupta asked them not to become a burden to the society but instead lead a law-abiding life.

Dr. Mathoorji's bust unveiled at BVB Mysuru

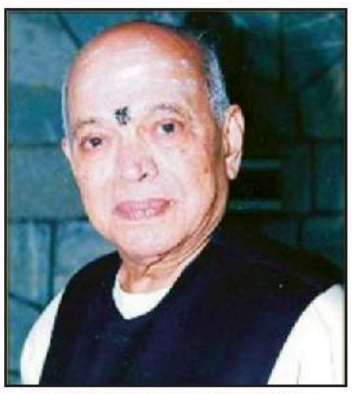
BVB Mysuru Kendra Chairman K.B. Ganapathy offered floral tribute after unveiling the bust of Dr. Mathoor Krishnamurthy at BVB premises in city this morning. Seen are (from left) BVB Hon. Treasurer Dr. A.T. Bhashyam, Hon. Secretary P.S. Ganapathy, K.B. Ganapathy, Committee Members B. Yogeesh (partly seen), K.M. Harish, K. Krishne Gowda and Administrative Officer Sudhindra Raj.

Mysuru, Sept. 25 (RKB&DM)- The bust of late Dr. Mathoor Krishnamurthy, former Director of Bharatiya Vidya Bhavan (BVB), Bangalore, was unveiled at BVB premises in Vijayanagar 1st Stage here this morning by K.B. Ganapathy, Founder-Editor of *Star of Mysore* and Chairman of BVB Mysuru Kendra.

Speaking on the occasion, K.B. Ganapathy said that Mathoorji, who was a man with a purpose, vision, mission and foresight, established BVB in Mysuru.

Pointing out that Mathoorji, an iconic Sanskrit Scholar and a writer, was also instrumental in setting up BVB in London, he said that BVB Mysuru Kendra initially functioned from Mahajana College in Jayalakshmipuram, before moving to its own premises in Vijayanagar.

Recalling that he was a member of BVB right from the beginning, Ganapathy said: "I studied at BVB, Bombay and as such have a sentimental bonding with the Institution. Mathoorji came to Mysuru along with N. Ramanuja to set up BVB. Mathoorji shares



Dr. Mathoor Krishnamurthy

a mother-son, guru-shishya and country-citizen relationship with BVB. An inspirational character that he was, Mathoorji encouraged all of us to establish BVB in Mysuru, which stands today as one of the prominent educational institutions of the city." He further said that Mathoorji's scholarly discourses still remains afresh in the minds of people of the city.

About Mathoorji

Dr. Mathoor Krishnamurthy, who was popularly known as Mathoorji for his scholarly discourses on Hindu epics, was born in 1929. A Sanskrit scholar and a versatile writer, he had widely studied great epics such as *Ramayana* and *Mahabharata*. Serving as a Director of BVB at Bombay, he was credited with establishing BVB at London in UK. He was awarded *Padma Shri* in 2009 in recognition of his services to Literature. He was conferred a Hon. Doctorate from Shivamogga-based Kuvempu University in 2004. He passed away in 2011.

BVB Mysuru Hon. Secretary P.S. Ganapathy, Hon. Treasurer Dr. A.T. Bhashyam, Administrative Officer Sudhindra Raj, Committee Members Wg. Cdr (retd.) S.C. Balasubramanyam, B. Yogeesh, K.M. Harish, K. Krishnegowda, T.S. Gangadhar and S.A. Thimmaiah, BVB School Principal Vijaya Narasimham and others were present.

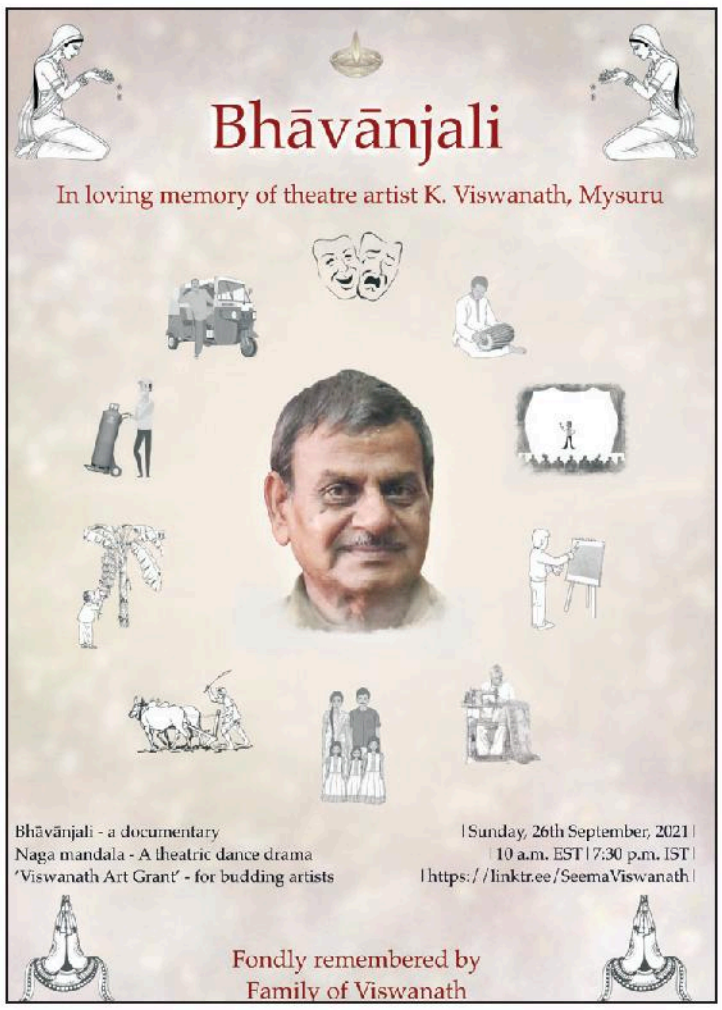
Master of backstage: Auto Vishwanna

K. Viswanath, popularly known as Auto Vishwanna, was a theatre artiste who had worked for almost 50 years in the art field. He passed away last year this month. Hence in his memory, his daughter Seema Viswanath from North Carolina, USA, has organised a programme called 'Bhavanjali' which will be premièred online on YouTube on Sept. 26 at 7.30 pm in three parts: "Bhavanjali" - Documentary about K. Viswanath; "Nagamandala" - Theatrical dance drama and "Viswanath Art Grant" for upcoming artistes in India. Seema Viswanath is a Bharatanatyam and Kathak dancer, choreographer, educator and disciple of Guru Nandini Eswer, Director of Raasavrunda School of Dance, Mysuru. Here we publish an article on K. Viswanath by C.V. Jayram. —Ed



Bhāvānjali
In loving memory of theatre artist K. Viswanath, Mysuru
Bhāvānjali - a documentary
Naga mandala - A lheatric dance drama
'Viswanath Art Grant' - for budding artists

Fondly remembered by
Family of Viswanath

By C.V. Jayram

It is not an exaggeration to state that Kannada Sangha of Nagamangala, Mandya district, had played a major role in establishing theatre activities in rural areas. It has been providing opportunity to stage modern theatre performances. People from these rural areas would swarm to the theatre in bullock carts and tractors to watch the theatre plays. At the daybreak, highlights of casual discussion would be the play artistes and the backstage techniques. Auto Vishwanna was one of the main topics of discussion and would be invariably appreciated by all.

K. Viswanath (Auto Vishwanna) was the son of K. Krishnamurthy and Lakshmamma from Kudur near Bengaluru. Vishwanna's father was a landlord but he lost all his wealth and property. Later he came to Nagamangala with his family in search of employment. Vishwanna had studied up to PUC and left College because of poverty. Though his mother was a teacher, she could not bear all the expenses of the family.

He went to Chennai (previously known as Madras) in search of livelihood. In the beginning he took up the available employment of a lorry cleaner. Later he took up the job of assistant to a backstage technician at Vijaya Vaahini studio. He learnt all the technique of backstage specialist with all dedication and determination. He returned to Nagamangala and joined Kannada Sangha as the most active and creative member. He actively took part in the backstage activities for many plays and also acted in the productions of Kannada Sangha such as *Mahima Pura, Dr. Siddaraju, Manninagaadi, Nagamandala, Sahebaru Barttare, Neeli Kudure, Dindi, Shabarana Kathe, Hayavadana*.

He got married to Sathya Prema of Mysore on Nov. 1, 1976. He took up the profession of auto driver with great love, affection and professionalism. He could have earned wealth taking up the profession of *archaka* in any temple, but he took up the profession other way round. He also worked as a banana vendor.

Vishwanna was well-built and knew many languages. He was so creative that in his hands, the jute, mulberry stems or roots grown awkwardly would become props on the stage. He used low cost-no cost props.

In 1999, he had actively taken part in *Chinnara Mela* at Rangayana Mysore and had worked on the backstage in plays such as *Yaduraya Vijayam, Chammarana Chaaluku Hendati, Nartakiya Pooje, Hittina Hunja, Uli, Raayara Raaya Shri Krishna Devaraya, Bhairavi Venkatasubbaiah, Kore Hallina Huli, Dangeya Munchina Dinagalu* and many more productions.

He had also worked as backstage designer in some of the troupes like Amarakala Sangha, Kalapriya, Samudaya, Kadamba Ranga Vedike, Apoorva, Apravarambe, Samatento, Kalasuruchi as well as other amateur theatres.

Vishwanna had also witnessed many ups and downs in his life. Unwillingly he had moved to Mysore and had worked in all plays of Prof. H.S. Umesh and S.R. Ramesh. An evidence for his creative thinking is that he had demonstrated an artificial sun rise at midnight in the New Year celebrations organised by a Club in Bangalore.

Vishwanna and Sathya Prema were blessed with three daughters — Rajani, Poornima and Seema. Now, Sathya Prema resides in Ramakrishnanagar, Mysuru. His daughter Seema, residing in America, was determined to stage the play *Nagamandala* written by Girish Karnad in a dance form on Sept. 26 to commemorate her father's death anniversary. The same could be watched with link ***https://linktr.ee/SeemaViswanath*** at 7.30 pm. In addition, she has planned to announce 'Viswanath Kalavethana' for upcoming artistes from next year. Under 'Bhavanjali' she will release a documentary to pay tribute to her departed father.

[Article translated to English by A. Raghunath Singh, Lecturer in Bellur, Nagamangala]

Safai Karmachari Commission Chairman's three-day tour

M. Shivanna

Mysuru, Sept. 25- Karnataka State Safai Karmachari Commission Chairman Kote M. Shivanna will be visiting Mysuru district on a three-day tour programme from Sept. 27 to 29.

On Sept. 27, he will visit the APMC Market to hear the grievances of civic workers at 1.30 pm. Later, he will hold a meeting with regard to the issues faced by Safai Karmacharis at 3.30 pm.

On Sept. 28 at 9.30 am, Shivanna will leave for H.D. Kote and visit Chikkadevammana Hill Temple there at 10 am. This will be followed by a meeting with the leaders in Nugu Travellers Bungalow at 11 am; meeting with the leaders in Saragur Travellers Bungalow at 3.30 pm.

Around 5 pm, Shivanna will visit Jungle Resort and will hold a meeting with officials over issues faced by Safai Karmacharis and civic workers. Shivanna will stay for the night at Jungle Resort.

On Sept. 29, Shivanna will leave for H.D. Kote around 10 am, will visit Pourakarmikas of Krishnapura village around 10.30 am. Later he will take part in the interaction programme with the Pourakarmikas of H.D. Kote and Saragur Town Panchayats at the Ambedkar Bhavan around 11.30 am.

Around 2.30 pm, Shivanna will hold meeting with officials over the problems of Safai Karmacharis working in all Taluk and Gram Panchayats.

Leopard Safari at Bannerghatta before Deepavali

says ZAK Chairman L.R. Mahadevaswamy

Bengaluru, Sept. 25 (KS)- An exclusive Leopard Safari at Bannerghatta Biological Park (BBP) will be opened by Deepavali festival, said Zoo Authority of Karnataka (ZAK) Chairman L.R. Mahadevaswamy.

Disclosing this after inspecting the ongoing works at BBP on Thursday, Mahadevaswamy said that the BBP has Cobras, Panthers, Crocodiles, Bears, Deer and other animals in a 12 hectare area in BBP. Lion and Tiger Safaris already exist and a Leopard Safari would be an added attraction, he added.

Pointing out that the Leopard Safari project works, being undertaken at a cost of Rs. 2 crore grants, were in the final stages in a 50 acre area, he said that it is the first in the State that a Leopard Safari is being established in a large area and added that eight leopards would be released inside the safari area initially on an experimental basis.

He said that an additional Rs. 80 lakh has been sought from the Tourism Department for development works and added that Tourism Minister Anand Singh has responded positively.

Stating that Rs. 7 crore fund for the construction of a hospital at BBP has been sought and a proposal has been submitted in this regard to the Animal Husbandry Department and added that the Government has responded positively to it besides stating that the works on supplying Cauvery water to BBP would be completed soon.

BBP Executive Director Vanashri, Executive Engineer Nagendrappa, Deputy Director Harish, Elephant Supervisor Suresh, Forest Department officials, Veterinarians and others were present.

Scholarship for IAS, KAS aspirants

Mysuru, Sept. 25- Krishik Sarvodaya Foundation, Mysuru, will be providing scholarship to rural candidates who are interested to join coaching classes for IAS and KAS exams. An eligibility test will be conducted for the same on Oct. 5 at 11 am. Those interested may register their names before Oct. 2 at the Foundation office in Vijayanagar. [Ph: 0821-2301564 or Mob: 99457-52592 or 96116-05678]

Cauvery Multispeciality Hospital

conducts CME and BCLS training workshop

Mysuru, Sept. 25- A one-day CME and skill development workshop titled REViVE 2021 on Basic Cardiovascular Life Support (BCLS) was conducted recently for the paramedical and allied health staff in Cauvery Institute of Allied Health Sciences in association with Indian Association of Anaesthesiologists, Mysore Branch.

Around 100 participants from different hospitals benefited from the course. Faculty members from Cauvery Heart and Multispeciality Hospital and JSS Medical College conducted the workshop under the aegis of Indian Resuscitation Council.

A renovated skill lab with 8 different modules including ICU module, Operation Theatre module, CPR modules, Paediatric and AED modules was inaugurated in connection with the event.

Inaugurating the workshop and skill lab, MUDA Chairman H.V. Rajeev stressed on the need for enhanced skill development in view of rapidly changing technologies in healthcare and called upon all present to deliver their services with a humane touch. He also lauded the services of Cauvery Heart and Multispeciality Hospital and Group of institutions.

DHO Dr. Prasad, who was the guest of honour, reiterated the challenges faced by healthcare fraternity in the huge skill gap and called upon the organisers to conduct more such programmes and partner with Government institutions.

Dr. Chandrashekar, Cauvery Hospital Chairman, lauded the services of all healthcare workers during COVID pandemic.

Dr. R. Vaidyanathan, Organising Secretary and Secretary of ISA Mysore City Branch, Dr. Sarala Chandrashekar, MD, Cauvery Group of Institutions, Dr. Usha Levi, President of ISA Mysore City Branch, Dr. Aravind, Surgeon and Principal Allied Health Sciences, Gurkar, Dean, Cauvery Institute of Allied Health Sciences, B.J. Sandeep Patel, Facility Director, Principals, staff and others were present.

Incidentally, Cauvery Heart and Multispeciality Hospital is the only Hospital in Mysuru recognised under Indian Resuscitation Council to train and certify people on resuscitation through its courses.

It trains lay rescuers and general public on CPR (Cardiopulmonary Resuscitation) free of cost and issues certificates. Till now more than 70 such programmes have been conducted.

Interested may contact Course Director Dr. Vaidyanathan on Mob: 98869-31067.

First-aid training for industrial workers and supervisors on Sept.29

Mysuru, Sept. 25- Nanjangud Industries Association (NIA) in association with the Department of Factories and Boilers, Industrial Safety and Health, Government of Karnataka, Mysuru Division, is jointly organising the 68th one-day training on first-aid for industrial workers and supervisors on Sept.29 (Wednesday).

The need for first-aid is greater than ever because of the increased use of machines and electric appliances in every day work at home, work-place etc. putting people at risk of injury and calamities.

As per the statutory compliance, in every industry certain number of employees should be trained in first-aid and they should know the important procedure for treating the casualty. They should also know the procedure of calling the ambulance and shifting the injured to the hospital.

R. Chethan, Superintendent of Police, Mysuru District, will inaugurate the programme which will be held from 9 am to 5.30 pm at Hotel Shree Guru Residency, JLB Road Cross, Mysuru.

R.K. Parthasarathy, Joint Director of Factories, Industrial Safety & Health, will preside.

The faculty for this programme is an experienced Doctor Dr. Prakash, Secretary, St. John's Ambulance Association Mysore chapter. The programme will be presented through lectures, discussions, interactions and demonstrations.

For details contact the Manager, NIA, 1st Cross, Industrial Area, Nanjangud 571302 or Ph: 08221 295297 or Mob:97393-37316, according to a press release from B.S. Chandrashekhar, Secretary, NIA.

WORD OF THE DAY

Precarious

Pronunciation: prih-KAIR-ee-us.
Meaning: Characterised by uncertainty, insecurity, or instability that threatens with danger.
Origin: "This little happiness is so very precarious, that it wholly depends on the will of others." Joseph Addison, in a 1711 issue of Spectator magazine, couldn't have described the oldest sense of precarious more precisely — the original meaning of the word was "depending on the will or pleasure of another." Precarious comes from a Latin word meaning "obtained by entreaty," which itself is from the word for prayer, prex.
Example: "Staff may be anxious about returning to the office and want to be assured of their safety while leaders are in the precarious position of having to make what they think is the right call." —Bernard Coleman, Inc., 18 Aug. 2021.

THE ODD WORD

Pallasethesia

Sense of vibration.

PHRASE OF THE DAY

Play Hooky

Meaning: To skip school, work or any other obligation without a justified excuse.
Origin: The origin of the term "hooky" is in the 14th century Dutch game 'hoekje', or as it's known in American culture — 'hide and go seek'. However, the first recorded use of the phrase "playing hooky" was in 1842 in the Brooklyn Daily Eagle: "When I was a child, I thought as a child... hunted birds' nests, played hooky, and chased butterflies... " The analogy behind the story is playing games while skipping school.
Example: "My friends are playing hooky today so that they can be first in line to buy tickets for the concert tonight."

QUOTE BOX

Irreverence is a way of playing hooky and remaining present at the same time. **—Mary Ruefle**

RIDDLE THIS

Solve the rebus:

UP UP VIA

Answer: Up up and away.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
